Readings:

Deuteronomy 6:1-6

Love the LORD your God

These are the commands, decrees and laws the LORD your God directed me to teach you to observe in the land that you are crossing the Jordan to possess, so that you, your children and their children after them may fear the LORD your God as long as you live by keeping all his decrees and commands that I give you, and so that you may enjoy long life. Hear, Israel, and be careful to obey so that it may go well with you and that you may increase greatly in a land flowing with milk and honey, just as the LORD, the God of your ancestors, promised you.

Hear, O Israel: the LORD our God, the LORD is one. Love the LORD your God with all your heart and with all your soul and with all your strength. These commandments that I give you today are to be on your hearts.

Reading: Matthew 22:34-40

The greatest commandment

Hearing that Jesus had silenced the Sadducees, the Pharisees got

together. One of them, an expert in the law, tested him with this question:

'Teacher, which is the greatest commandment in the Law?'

Jesus replied: "Love the Lord your God with all your heart and with all your soul and with all your mind." This is the first and greatest commandment. And the second is like it: "Love your neighbour as yourself." All the Law and the Prophets hang on these two commandments.'

Today's Conversation Question: :

In what new ways can you love God?

This will be over the latter three weeks of September,

Saving food saves money and helps to slow down global warming and deforestation. Reducing the amount of food that ends up in the bin also means you can say goodbye to unnecessary packaging waste. If we all make a few small changes and start using up the food we buy, together we can make a big difference.
