Theme: Jesus is Superior

Readings:

Hebrews 9:11-15

The Blood of Christ

But when Christ came as high priest of the good things that are now already here, he went through the greater and more perfect tabernacle that is not made with human hands, that is to say, is not a part of this creation. He did not enter by means of the blood of goats and calves; but he entered the Most Holy Place once for all by his own blood, thus obtaining eternal redemption. The blood of goats and bulls and the ashes of a heifer sprinkled on those who are ceremonially unclean sanctify them so that they are outwardly clean. How much more, then, will the blood of Christ, who through the eternal Spirit offered himself unblemished to God, cleanse our consciences from acts that lead to death, so that we may serve the living God!

For this reason Christ is the mediator of a new covenant, that those who are called may receive the promised eternal inheritance—now that he has died as a ransom to set them free

Praying for the Planet

This Wednesday, **November 7th**, is the day we particularly remember our beautiful planet in prayer, meditation, awareness or involvement, with love, hope and gratitude. A quote from Thich Nhat Hanh: Real change will only happen when we fall in love with our planet. Only love can show us how to live in harmony with nature and with each other and save us from the devastating effects of environmental destruction and climate change.
